

Moonlit Mysteries

Story

In "Moonlit Mysteries," you play as a powerful witch Elara making her journey on the moonlit path. Her mission? Fight creepy monsters using powerful spells. Explore spooky locations, while honing your magic abilities and save world from darkness!

This is small RPG game.

Levels

In this game, there are three levels, each with its own unique environment, monsters, and challenges. When the main character defeats these challenges, they earn special rewards and progress through the cinematic storyline. However, if the main character is defeated, the player starts again from the beginning of the game.
